"Executable Code" means the fully compiled version of a software program that can be executed by a computer and used by an end user without further compilation.

"Jurisdiction" means the laws of the territory in which the license is used.

2. LICENSE GRANTS.

Subject to Licensee's full compliance with the terms and conditions of this End User License Agreement, Four J's grants to Licensee (i) a non-exclusive, non-transferable license to use the Licensed Software (in Executable Code form only) only in accordance with the Documentation, and to make a single copy of the Licensed Software solely for backup or archival purposes; and (ii) (for Licensees of the "Class A" products defined in Section 10.1 only) a non-exclusive, non-transferable license to use, reproduce, and distribute (solely to end users who have purchased appropriate "Class B" products defined in Section 10.2 only) the Redistributables (in Executable Code form only) solely as part of an application developed by Licensee.   Licensee may not distribute Redistributables on a standalone basis. The Licensed Software may only be used in accordance with the Documentation. Four J's grants to Licensee a non-exclusive, non-transferable license to use the Documentation. When applicable, Four J's will communicate a new activation key if Licensee certifies in writing that Licensee must install the Licensed Software on a new computer because of update, theft, or breakdown. This license is granted to Licensee only for the number of concurrent users specified in a valid purchase order accepted by Four J's and paid for by Licensee. For the avoidance of doubt, the Licensed Software is not for sale – it is licensed on a 'right to use' basis. Four J's will make certain Enhancements generally available to Licensee provided that Licensee separately

subscribes to Support and Maintenance. If Four J's provides Licensee with any update of the Licensed Software, Licensee agrees to adopt such update within thirty (30) days of the release of each such update. If any such update is deemed urgent by Four J's in its reasonable, good faith discretion, Licensee shall make every reasonable effort to adopt such urgent update as soon as possible. The parties also acknowledge that the License Activation Key is the exclusive property of Licensee.

3. RESTRICTIONS ON USE.

Licensee acknowledges that the Licensed Software and its structure, sequence, organization and Source Code constitute valuable trade secrets of Four J's and/or its suppliers. Accordingly, except as specifically authorized herein, Licensee agrees not to (a) modify, adapt, alter, translate, or create derivative works from the Licensed Software; (b) sublicense, lease, rent, loan, disclose, or otherwise transfer or allow use of the Licensed Software to or by any third party, including outsourcing personnel, (c) reverse engineer, decompile, disassemble, or otherwise attempt to derive the Source Code of the Licensed Software; or (d) otherwise use or copy the Licensed Software. Notwithstanding the foregoing, decompiling the Licensed Software is permitted to the extent the laws of Licensee's Jurisdiction give Licensee the right to do so to obtain information necessary to render the Licensed Software interoperable with other software; provided, however, that Licensee must first request such information from Four J's and Four J's may, in its discretion, either provide such information to Licensee or impose reasonable conditions, including a reasonable fee, on such use of the Licensed Software to ensure that Four J's' and its suppliers' proprietary rights in the Licensed Software are protected. Licensee agrees not to use the license rights granted to the Licensed Software to develop or market a product similar to or competitive with the Licensed Software

4. ORDERING, ACCEPTANCE, PRICING AND PAYMENTS.

The terms and conditions of Licensee's standard purchase order (or any other document submitted) that conflict with or in any way purport to amend any of the terms and conditions of this End User License Agreement are hereby specifically objected to and will be of no force or effect. Four J's will use commercially reasonable efforts to meet the requested delivery availability dates and quantities for any purchase order it accepts but reserves the right to reject purchase orders. Upon acceptance of a purchase order and download of the Licensed Software by Licensee or delivery of a Media Kit by Four J's, Four J's shall provide Licensee with applicable software keys authorizing use of the Licensed Software. Licensee will be responsible for installing the Licensed Software on its computers as permitted under this End User License Agreement. The Licensed Software will be deemed accepted upon delivery. If you are installing the Licensed Software on behalf of the Licensee listed on a purchase order, such Licensee must be the party clicking through the "I Accept" button and agreeing to the terms of this End User License Agreement. If you do so on behalf of Licensee, you and/or your organization shall be jointly bound by the terms of this End User License Agreement and responsible for any breach hereof.

5. WARRANTIES

5.1 Performance.

(a) For a period of sixty (60) days after shipment of the Licensed Software (other than the "Class B" products defined in Section 10.2) to Licensee (the "Software Warranty Period"), Four J's warrants that the Licensed Software, when used as delivered by Four J's and as permitted under this End User License Agreement and in accordance with the Documentation (including use on a computer hardware and operating system platform supported by Four J's), will operate substantially as described in the Documentation.

(b) For the "Class B" products defined in Section 10.2, Four J's makes no warranties, express, implied or statutory. THE "CLASS B" PRODUCTS DEFINED ON SECTION 10.2 ARE PROVIDED ON AN AS IS BASIS.

(c) Four J's does not warrant the Licensee's use of the Licensed Software will be error free or uninterrupted. Four J's will, at its own expense and as its sole obligation and Licensee's exclusive remedy for any breach of the above warranty, use commercially reasonable efforts to correct or provide a workaround for any reproducible error in the Licensed Software reported to Four J's by Licensee in writing during the Software Warranty Period or, if Four J's determines in its reasonable business judgment that it is commercially impractical to correct the error or provide a workaround, Four J's will refund to Licensee the license fee

paid for the Licensed Software, in which case this End User License Agreement and Licensee's right to use the Licensed Software will be terminated. Any error correction, workaround or subsequent code delivery provided to Licensee will not extend the original Software Warranty Period.

5.2 Disclaimers. THE EXPRESS WARRANTIES IN THIS SECTION 5 ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS, IMPLIED, OR STATUTORY, REGARDING THE LICENSED SOFTWARE AND DOCUMENTATION, INCLUDING ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS. Because some Jurisdictions do not permit the exclusion of implied warranties, this disclaimer may not apply to you. LICENSEE ACKNOWLEDGES THAT IT HAS RELIED ON NO WARRANTIES OTHER THAN THE EXPRESS WARRANTIES IN THIS END USER LICENSE AGREEMENT AND THAT FOUR J'S SHALL NOT BE BOUND BY ANY WARRANTIES ARE MADE BY ANY THIRD PARTY. This warranty gives you specific rights, and you may also have other rights that vary by Jurisdiction.

6. INFRINGEMENT CLAIMS.

Four J's will defend at its own expense any action against Licensee brought by a third party to the extent that the action is based upon a claim that the Licensed Software infringes any such third party's U.S. copyrights or misappropriates any such third party's trade secrets recognized as such under the Uniform Trade Secret law, and Four J's will pay those costs and damages finally awarded against Licensee in any such action that are specifically attributable to such claim or those costs and damages agreed to in a monetary settlement of such action. The foregoing obligations are conditioned on Licensee notifying Four J's promptly in writing of such action, Licensee giving Four J's sole control of the defense thereof and any related settlement negotiations, and Licensee cooperating and, at Four J's' request and expense, assisting in such defense. If the Licensed Software becomes, or in Four J's' opinion is likely to become, the subject of an infringement claim, Four J's may, at its option and expense, either (a) procure for Licensee the right to continue using the Licensed Software, (b) replace or modify the Licensed Software so that it becomes non-infringing, or (c) accept return of the Licensed Software and give Licensee a refund for the License Fees paid by Licensee less a reasonable allowance for the period of time Licensee has used the Licensed Software. Notwithstanding the foregoing, Four J's will have no obligation under this Section 6 or otherwise with respect to any infringement claim based upon (i) any use of the Licensed Software not in accordance with this End User License Agreement or for purposes not intended by Four J's, (ii) any use of the Licensed Software in combination with other products, equipment, software, or data not supplied by Four J's to the extent such combination is the cause of any claim, (iii) any use of any release of the Licensed Software other than the most current release made available to Licensee, or (iv) any modification of the Licensed Software by any person other than Four J's. THIS SECTION 6 STATES FOUR J'S' ENTIRE LIABILITY AND LICENSEE'S SOLE AND EXCLUSIVE REMEDY FOR INFRINGEMENT CLAIMS AND ACTIONS.

7. LIMITATION OF LIABILITY.

A.   Exclusion of Certain Damages. IN NO EVENT WILL FOUR J'S BE LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, EXEMPLARY, SPECIAL OR INCIDENTAL DAMAGES, INCLUDING ANY LOST DATA AND LOST PROFITS, ARISING FROM OR RELATING TO THIS END USER LICENSE AGREEMENT. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

B.   Liability Limitation. FOUR J'S' TOTAL CUMULATIVE LIABILITY IN CONNECTION WITH THIS END USER LICENSE AGREEMENT AND THE LICENSED SOFTWARE AND DOCUMENTATION, WHETHER IN CONTRACT OR TORT OR OTHERWISE, WILL NOT EXCEED THE AMOUNT OF FEES PAID TO FOUR J'S HEREUNDER.

C.   Critical Control Applications. THE LICENSED SOFTWARE IS NOT INTENDED FOR USE IN CONNECTION WITH ANY NUCLEAR, AVIATION, MASS TRANSIT OR MEDICAL APPLICATION OR ANY OTHER INHERENTLY DANGEROUS APPLICATION THAT COULD RESULT IN DEATH, PERSONAL INJURY, CATASTROPHIC DAMAGE OR MASS DESTRUCTION, AND LICENSEE AGREES THAT FOUR J'S WILL HAVE NO LIABILITY OF ANY NATURE AS A RESULT OF ANY SUCH USE OF THE LICENSED SOFTWARE.

D.   Allocation of Risk. LICENSEE ACKNOWLEDGES THAT THE FEES PAID HEREUNDER REFLECT THE ALLOCATION OF RISK SET FORTH IN THIS END USER LICENSE AGREEMENT AND THAT FOUR J'S WOULD NOT ENTER INTO THIS END USER LICENSE AGREEMENT WITHOUT THESE LIMITATIONS ON ITS LIABILITY. IN ADDITION, LICENSEE DISCLAIMS ALL LIABILITY OF ANY KIND OF FOUR J'S' SUPPLIERS.

8. TERM AND TERMINATION.

8.1 Term. The term of this End User License Agreement will begin on the Effective Date and will continue indefinitely unless terminated pursuant to Section 8.2.

8.2 Termination. Licensee may terminate this End User License Agreement, with or without cause, upon written notice to Four J's. This End User License Agreement will automatically terminate if (a) Licensee breaches any provision in Section 3 or Section 9.1, or (b) Licensee breaches any other provision of this End User License Agreement and does not cure the breach within thirty (30) days after receiving written notice thereof from Four J's.

8.3 Effects of Termination. Upon termination of this End User License Agreement for any reason, (i) all license rights granted in this End User License Agreement will immediately cease to exist, (ii) Licensee must promptly discontinue all use of the Licensed Software, erase all copies of the Licensed Software from Licensee's computers, and return to Four J's all copies of the Licensed Software and Documentation on tangible media in Licensee's possession or control and certify in writing to Four J's that it has fully complied with these requirements, and (iii) (for Licensees of the "Class A" products defined in Section 10.1 only) Licensee must promptly discontinue the use, reproduction, and distribution of the Redistributables. Except under the provisions of Section 5.1(c) and 6(c) of this End User License Agreement, Licensee shall not be entitled to any refund of any amounts paid for Licensed Software. Sections 1 ("Definitions"), 3 ("Restrictions on Use"), 5 ("Warranties"), 7 ("Limitation of Liability"), 8.3 ("Effects of Termination"), and 9 ("General") of this End User License Agreement will survive termination for any reason.

9. GENERAL.

9.1 Proprietary Rights. As between the parties, the parties acknowledge that the Licensed Software and Documentation, and all worldwide intellectual property rights therein, are the exclusive property of Four J's and its suppliers. All rights in and to the Licensed Software not expressly granted to Licensee in this End User License Agreement are reserved by Four J's and its suppliers. Without limiting the foregoing, no license to use the trademarks or trade names of Four J's or its suppliers is granted hereby. Licensee will not remove, alter, or obscure any proprietary notices (including copyright notices) of Four J's or its suppliers on the Licensed Software or the Documentation. Licensee acknowledges that the Licensed Software contains Confidential Information and valuable trade secrets and proprietary information of Four J's, that any actual or threatened breach of Section 3 or Sections 9.1 or 9.2 will constitute immediate, irreparable harm to Four J's for which monetary damages would be an inadequate remedy, and that injunctive relief is an appropriate remedy for such breach. The parties also acknowledge that the License Activation Key is the exclusive property of Licensee.

9.2 Confidentiality.   "Confidential Information" means all information disclosed by the one party (the "Disclosing Party") to the other party (the "Receiving Party"), including, without limitation, any and all information or proprietary materials (in every form and media) which have been or are hereafter disclosed and which are not generally known in the relevant trade or industry. Confidential Information includes, without limitation, all trade secrets and intellectual property rights, and all existing or contemplated products and planned features, business plans, pricing, discounts, market research data, whether containing historic, current or future-related information, the Licensed Software (including any bugs or errors therein), and Documentation. "Confidential Information" shall not include information that: (a) is public or becomes known to the public through no breach of an obligation of confidentiality by the Receiving Party, (b) is independently developed by the Receiving Party with no access to the Disclosing Party's Confidential Information or (c) is received from a third party not as a result of any breach of any party's breach of confidentiality obligation. The Receiving Party may disclose Confidential Information of the Disclosing Party to the extent such disclosure is required by law, court order or order of a governmental agency with Jurisdiction; provided that the Receiving Party notifies the Disclosing Party prior to such disclosure and gives the Disclosing Party a reasonable opportunity to seek a protective order or to contest such requirement. The Receiving Party shall treat all Confidential Information as strictly confidential, and shall use the same care to prevent disclosure of such information as such party uses with respect to its own confidential information, which shall in no event be less than a reasonable degree of care. The Receiving Party shall: (aa) disclose such Confidential Information to (i) only those authorized employees and directors of the Receiving Party whose duties justify their need to know such information and who have agreed in writing to maintain the confidential and/or proprietary status of such Confidential Information; or (ii) only those third parties required for the performance of the Receiving Party's obligations under the End User License Agreement pursuant to a written agreement containing provisions

as least as protective as the confidentiality provisions herein; and (bb) use such Confidential Information only in connection with the furtherance of the End User License Agreement and for the benefit of both parties thereto.

9.3 Compliance with Laws. Licensee will comply with all applicable export and import control laws and regulations in its use of the Licensed Software and, in particular, Licensee will not export or re-export the Licensed Software without all required United States and foreign government licenses. Licensee will defend, indemnify, and hold harmless Four J's from and against any violation of such laws or regulations by Licensee or any of its agents, officers, directors, or employees.

9.4 Assignments. Licensee may not assign or transfer, by operation of law or otherwise, any of its rights or obligations under this End User License Agreement (including its licenses with respect to the Licensed Software) to any third party without Four J's' prior written consent except pursuant to a merger, sale, acquisition, corporate reorganization or other change of control event of Licensee in its entirety. Any attempted assignment or transfer in violation of the foregoing will be void. Four J's may transfer or assign this End User License Agreement in connection with any merger, sale, acquisition, consolidation, corporate reorganization or change of control event, including sale of any or all of the assets to which this End User License Agreement might relate.

9.5 U.S. Government End Users. If Licensee is a branch or agency of the United States Government, the following provision applies. The Licensed Software and Documentation are comprised of "commercial computer software" and "commercial computer software documentation" as such terms are used in 48 C.F.R. 12.212 (SEPT 1995) and are provided to the Government (i) for acquisition by or on behalf of civilian agencies, consistent with the policy set forth in 48 C.F.R. 12.212; or (ii) for acquisition by or on behalf of units of the Department of Defense, consistent with the policies set forth in 48 C.F.R. 227.7202-1 (JUN 1995) and 27.7202-3 (JUN 1995).

9.6 Notices. All notices, consents and approvals under this End User License Agreement must be delivered in writing by courier, by electronic facsimile (fax), or by certified or registered mail, (postage prepaid and return receipt requested) to the other party, and will be effective upon receipt or three (3) business days after being deposited in the mail as required above, whichever occurs sooner.

9.7 Governing Law and Venue. This End User License Agreement will be governed by the Jurisdiction in which the License is used. The United Nations Convention on Contracts for the International Sale of Goods does not apply to this End User License Agreement. You agree that any action or proceeding arising from or relating to this End User License Agreement brought by you must be brought in a court in Jurisdiction, and each party irrevocably submits to the Jurisdiction and venue of any such court in any such action or proceeding. Notwithstanding the foregoing: (i) You consent to entry and execution of any judgment against You in any Jurisdiction where You conduct or maintain business or assets; and, (ii) You agree that Four J's may bring an action against You in any Jurisdiction it elects for the purpose of enforcing its rights under this End User License Agreement and/or related to its intellectual property rights.

9.8 Remedies. Except as provided in Sections 5 and 6 above, the parties' rights and remedies under this End User License Agreement are cumulative. If any legal action is brought to enforce this End User License Agreement, the prevailing party will be entitled to receive its attorneys' fees, court costs and other collection expenses, in addition to any other relief it may receive.

9.9 Maintenance or Support. Four J's is not required to provide any maintenance or support services to any party under this End User License Agreement. Maintenance and support, to the extent offered, shall be under a separate Service Level Agreement.

9.10 Miscellaneous. All waivers must be in writing. Any waiver or failure to enforce any provision of this End User License Agreement on one occasion will not be deemed a waiver of any other provision or of such provision on any other occasion. If any provision of this End User License Agreement is unenforceable, such provision will be changed and interpreted to accomplish the objectives of such provision to the greatest extent possible under applicable law and the remaining provisions will continue in full force and effect. The headings of sections of this End User License Agreement are for convenience and are not to be used in interpreting this End User License Agreement. As used in this End User License Agreement, the word "including" means "including but not limited to." This End User License Agreement constitutes the entire agreement between the parties regarding the subject hereof and supersedes all prior or contemporaneous agreements, understandings, and communication, whether written or oral. This End User License Agreement may be amended only by a written document originally signed in ink by both parties.
